THANK YOU!

On behalf of every child who has walked through our doors, we thank you for investing in our mission. At our core, Boys and Girls Clubs of the Danville Area are about providing a safe place for kids to go after school and the summer. Most importantly, BGCD A also provides quality programs in the areas of Academic Success, Healthy Lifestyles, Character & Leadership and STEM Education.

Thanks to your investment, we are celebrating great accomplishments in 2019:

- Because we have a solid foundation at our clubs in Danville and Chatham, we opened a new club at Woodrow Wilson Intermediate School, which was funded by 21st Century Community Learning Center grant through the Virginia Department of Education.
- With a focus on sustainability, the board of directors has made a commitment to focus efforts to develop a Planned Giving Program. We took the steps necessary to accept contributions of a larger size when an individual wants to leave a legacy gift to BGCD A. Creating this aspect of giving will assure Great Futures for BGCD A kids for years to come.
- Once again, we exceeded our fundraising goals with more than \$800,000 in contributions from our many friends, like you.

Thank you very much for your support in 2019. We look forward to continuing to build a relationship with you in 2020 and for many years to come.
