THANK YOU!

On behalf of the 2018 Boys & Girls Clubs of the Danville Area's Board of Directors, staff, and members, we thank you for your continued support for the children in our community! Because of your investments in 2017, we were able to provide quality afterschool and summer programming, and community outreach to over 500 youth. We can only continue our work of providing cost-effective, quality programs for a truly diverse membership with the generous and continuous investment of the community. We raised a record amount in 2017 through our *Great Futures* annual campaign, exceeding the \$250,000 goal. With these funds, we have been able to enhance programming and strengthen partnerships in our effort to serve more children and help our community produce its citizens of the future.
