THANK YOU!

The year 2020 was truly a historic year for our community and our country. The children we serve continue to be profoundly impacted by this global crisis and BGCD A has been a rock in their otherwise chaotic world.

Thanks to your investment, we were able to still do great things in 2020:

- Provided all day academic support in the evolving virtual school world during the 2020-2021 school year.
- Connected over 390 kids and families with educational packets.
- Distributed over 470 meals and food boxes.
- Provided all day summer programs to offer club members a much needed release from the seclusion of the pandemic.

We found a way to serve as many of our youth as we could safely in 2020, all while remaining financially viable. BGCD A has responded to the challenging times. We are extremely devoted, as staff and board volunteers, to be present for the youth in our community. We have searched out and implemented creative strategies to make sure our kids receive the social and emotional support that is more important now than ever.

We are very proud of our hard work and hope that you are as well. Your continued support is critical to making sure that BGCD A remains strong and able to continue serving youth in Danville and Pittsylvania County. We are grateful for the community support that allows us to do this incredibly important work.

Thank you again for that support; past, present and future.

John Kent
2021 BGCD A Board Chair

Faith Stamps
Chief Executive Officer

GREAT FUTURES START HERE.

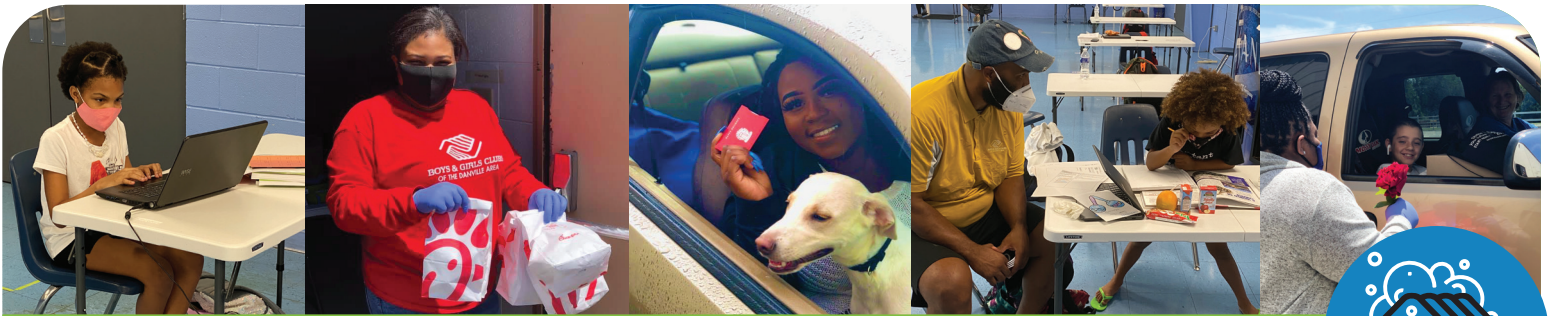

BGCDA'S FOUR AREAS OF PRIORITY

BGCDA programs ensure the **Academic Success** of Club Members through homework help, tutoring, career exploration and college preparation.

BGCDA helps Club Members by proving that eating well, staying active, and avoiding risky behaviors leads to a **Healthy Lifestyle** now and as an adult.

BGCDA provides Club Members with hands-on access to **STEM Education** including mobile and web development, career exposure, entrepreneurship and networking.

BGCDA empowers Club Members with the tools to live with integrity through our **Character and Leadership** programs.

OUR RESPONSE DURING CRISIS

470+

Meals Distributed

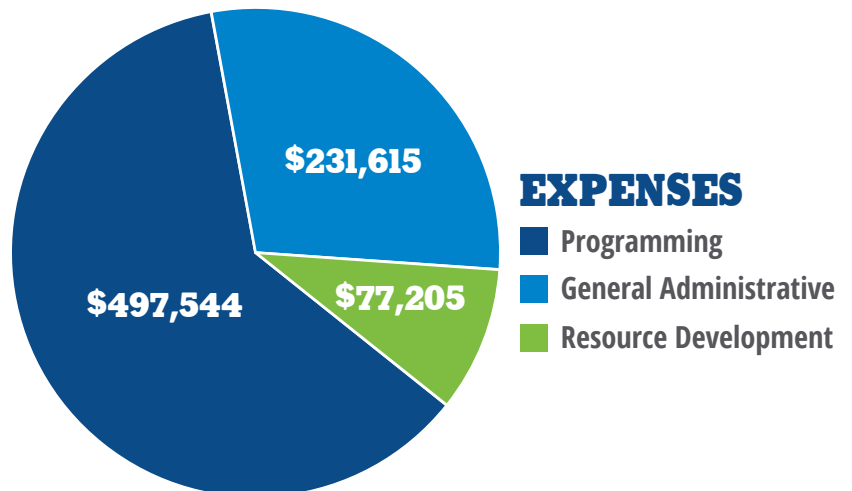

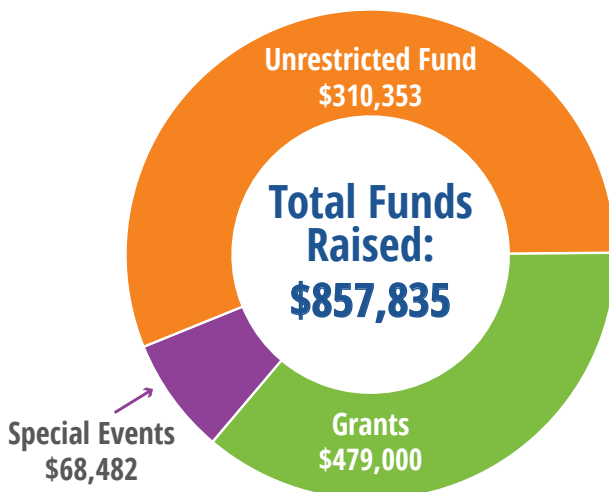

350+
